## Orchids The International School

In the heart of Silicon Valley of India, ORCHIDS The International School has spread its wings with 20+ schools. ORCHIDS, with its 90+ CBSE schools spread across 25+ cities in India, has a reputation for helping parents invest less time in their children's development.

At ORCHIDS, we believe in an inclusive curriculum and a hands-on approach to learning, enabling students to acquire knowledge faster and become more sharp-witted. Our aim is to prepare students for the future by providing a balanced combination of theoretical and practical education.

ORCHIDS is one of the top CBSE schools with a mission to turn students into responsible global citizens and critical thinkers.

Being a leading CBSE school in Bangalore, we understand the importance of nurturing students to be the best versions of themselves. Our SHARPER philosophy, which encompasses five core foundations, provides a secure environment for students to blossom. ORCHIDS leaves no stone unturned in providing world-class facilities and personalized attention, helping students become confident and self-assured.
